FIRE BROKE OUT
IN CLOTHING STORE.

Fireman John McQuillan Overcome by Smoke.

A fire was discovered in the Franklin Hall building on Main street Monday evening at 7.25 and an alarm was run in from box 32. The Alerts, the Excelsior Hook and Ladder company and the Montgomerys responded, the Alerts and Excelsiors being first on the scene. The fire broke out in the clothing store called the Willimantic Bazaar, owned by Mrs. Annie Silverman. It is not known how the fire started, as the store was closed at the time. It started in the rear of the store on the first floor and for a time looked serious, great clouds of smoke pouring out of the windows. It spread to the second floor in the rear, but did not do any great damage there, the damage being confined to the first floor. Three lines of hose were used, one in the rear, one on the second floor and the third for the first floor. There was no wind blowing and the snow was falling very heavily at the time. It is not known at present just what the damage will be, but it will probably be considerable, mostly from water and smoke. There was said to have been about four or five thousand dollars' worth of stock in the store and insurance was carried to the amount of two thousand dollars. The department handled the fire in a splendid manner, which if not controlled might have done immense damage. John McQuillan of the Montgomery company was overcome by smoke and was taken to Dr. O'Neill's office for treatment. Although it was a very stormy night, a good sized crowd was on hand to watch the fire.

Infant's Funeral.
Funeral services for Walter, infant son of Mr. and Mrs. Walter Tetreault of No. 762 Main street, who died on Sunday afternoon of infantile trouble, were held Monday morning at 11 o'clock. Burial was in St. Joseph's cemetery.

A ten minute playlet without words presented by six girls and Jack Hill, completed the program.

City Labor Payroll.
The city payroll for the past week was as follows: Police department, \$142.40; street department, \$117.02; maintenance of sewers, \$31; water works, \$91.91, making a total of \$382.33.

Girls' Club Classes.
Classes in sewing, embroidery and crocheting will commence tonight at the Windham Girls' club on Valley street. Mrs. Lucy M. Valentine of the Normal school faculty, will teach sewing, and Mrs. D. E. Abel will teach embroidery and crocheting. Twenty-five have enrolled for the sewing class and twenty for the embroidery and crocheting class.

Daily Snow Stories.
Willimantic's daily snowstorm arrived on schedule time Monday afternoon, furnishing work for property owners in clearing the sidewalks once more. One janitor says that he has put away his snow shovel several times thinking there would be no more snow but has resolved to keep the shovel close by for awhile yet.

Lectures on Bee-keeping.
A. W. Yates of Hartford will deliver lectures on beekeeping at the Connecticut Agricultural College at Storrs on Saturdays during April and May. Mr. Yates is inspector of foul brood in this state and his lectures will deal with the problems of spring management, control of foul brood, and other diseases, winter handling and the establishment and development of the apiary. All students and those interested in beekeeping are invited to attend.

Rehearsals Meet.

William Derby Files
CLAIM FOR \$500.

Slipped and Fell on East Side of Walnut Street.

The claims committee met at the town building Monday evening to hear the complaint of William Derby, who stepped on a coal stove cover on the east side of Walnut street, near the John Hall property, and severely injured himself, breaking a tendon in his ankle, lacerating his right leg and straining the tendons in his back. He was confined to his bed for ten days. The actual damages consisting of loss of time and doctor's bills being estimated at \$75. Mr. Derby asked for \$500. The committee will report to the common council at a later meeting.

Sewer Assessment Committee Meets.
There was a meeting of the sewer assessment committee at the town building Monday evening, the matter of the sewer on South Park street being taken up. It was valued at \$1200 and there are 14 abutting property owners, and the cost will be divided proportionately among them. The

District Superintendent Scrivener Held Fourth Quarterly Conference at Methodist Church—Pastor Invited to Return For Another Year.

The fourth quarterly conference of the Methodist Episcopal church was held Saturday evening in the vestry with District Superintendent Rev. G. G. Scrivener of Norwich, presiding. Prayer was offered by Rev. Mr. Scrivener after which the business session took place. Alexander Taylor, reported three had been baptized, one received on probation; three received into membership from probation, two had been received by letter, five dismissed by letter and six deceased.

The reports of all the officers of the church found the affairs of the church to be in good standing and that the Sunday school had an average attendance of 76, a nine per cent. gain in a year.

The work of the Ladies' Aid society was commendable, and the past year has been one of prosperity in the church.

Herbert Gurnee applied for a real preacher's license and after being examined by the district superintendent and the pastor, the license was granted. He reported three had been baptized, one received on probation; three received into membership from probation, two had been received by letter, five dismissed by letter and six deceased.

AFTER THREE YEARS
Norwich Testimony Remains Unshaken.

Time is the best test of truth. Here is a Norwich story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Mrs. C. Bennett, 46 Palmer St., Norwich, says: "Some years ago one of my family suffered from backache. Every cold settled on the kidneys and made the trouble worse. The kidneys were disordered, as was shown by the kidney secretions being irregular in passage. Doan's Kidney Pills, procured at N. D. Sevin & Son's Drug Store, brought prompt relief."

A LASTING EFFECT.
Almost three years later Mrs. Bennett said: "Doan's Kidney Pills cured one of my family of kidney trouble some years ago and there has been no sign of it since. I willingly confirm my former endorsement of this medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bennett has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

Loyal Samaritan Lodge Tied With Loyal Livingstone Lodge For Silver Loving Cup—Trip to Westerly is Planned.

Loyal Samaritan lodge, I. O. O. F., M. U. of Baltic, is now tied with Loyal Livingstone lodge of Plainfield in the card tournament for a silver loving cup. March 24th the lodges will meet in Germania hall, Norwich, to play the final games and the winning team will be awarded the cup, which is to be donated by Lee Clegg of Norwich.

On the first Saturday in April the local lodge, together with other lodges nearby will go to Westerly, R. I., where exercises will be held, under the auspices of Pride of New England lodge of that town. The members of Samaritan lodge will make the trip in a special car.

Compensation Commissioner James J. Donohue has made an award of \$5 a week in the claim of Estlin and Imogene Belcher against Benjamin Campo, Aetna Life Insurance company, insurer. An additional \$100 is allowed for funeral expenses and the award is for 312 weeks. The commissioner finds that Mr. and Mrs. Belcher were partially dependent on their son David, who was drowned on Aug. 23, 1915, while in the course of his employment driving a team of horses on the bank of the Staffordville reservoir. At the hearing the insurance company contested the claim of dependency.

Mr. and Mrs. Belcher own a small place above Hydeville, where they lived with their son up to the time of his death. He furnished groceries for the family and the store accounts were kept in his name. He also did the major part of the work on the place for the father and did much of the housework for the mother, who is 69 years old and in feeble health. The father's health is also poor. David also purchased the grain for feeding the horses and two cows owned by his father.

DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.
Says we will both look and feel clean, sweet and fresh and avoid illness.

Sanitary science has of late made rapid strides with results that are untold blessing to humanity. The latest application of its untiring research is the recommendation that it is necessary to assist to internal sanitation of the drainage system of the human body as it is to the drains of the house.

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins, thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the phosphated hot water is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness, others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.
